This collection of information is required by 37 CFR 1/8. The information is required to obtain or retain a benefit by the public which is to file (and by the USFTO by process) an application. Confidentially is governed by 55 U.S. C.12 and 37 CFR 1/14. This collection is estimated to take 2.0 minutes to complete, including pathering, preparing, and submitting the completed application data street from the USFTO. Time will vary depending upon the individual case. Any comments on the amount of time you require to complete in form anxiety suggestions for reducing this but define, should be seen to the Colle forthination Officer, U.S. Feetin and COMPLETED FORMS TO THIS ADDRESS. SIND TO: Commissioner for Patents. P.O. Box 1450, Recording. Va. 2231-1450.

## Privacy Act Statement

The Privacy Act of 1974 (P. 1.8.573) impaires that you be given certain information in connection with your submission of the attribute form instant for a pairest application or posteri. Accordingly, superant to the requirements of the ALF, breake of shared from it (1) they permiss allowly for the connection of the information is 30 U.S.C. (2)(1)(2) (2) intenting of the information isolated is underlay, and (3) the privacy inception proper for which the information isolated in such as a part of (3) the privacy in proper for which the information is used by the U.S. Partiest and Tractioness (Office is process and terminancy our admissions intention to partie in proper in the information of furnish the requested information, the U.S. Partiest and Tractioness (Office may not be able to process and or examine your submission, which may require the information proceedings or absortionment of the application or existent. (The opening or absortionment of the application or existent of the patients.)

The information provided by you in this form will be subject to the following routine uses:

- The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether the Freedom of Information Act requires disclosure of these records.
- A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
- A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an inclidical, to whom the record perfains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
- A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S. 652a(m).
- A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the international Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
- A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 219(c)).
- 7. A record from this system of records may be disclosed, as a routile use, to the Administrator, General Services, or hafter designed, using an impediation of records conducted by GSA as part of that agency's recognistify to recommend improvements in recommend improvements in recommend in record and record management practices and programs, under authority of 44 L.S.C. 2004 and 2006. Such disclosure shall be made in accordance with the conductivity of the burst of the conductivity of the conductivity of the burst of the conductivity of the burst of the conductivity of the burst of the conductivity of the conductivi
- A record from this system of records may be deadowed, as a routine use, to the public after either publication of the application parameter to 20 U.S. C. 1900 or issues on one partial parameter 20 U.S. C. 1911. Further, a record may be disclosed, subject to the Initiations of 37 CPT 114, as a routine use, to the public if the record was fisted in an application which became deardoned or in which the process of the public in the record was fisted in an application which became deardoned or in which the process of the public inspectation or an in-section of the public inspectation or in the record by either application or in one of the public inspectation or interest the public inspectation or in one of the public inspectation or interest in the public inspectation or in one of the public inspectation or interest in the public inspectation or interest in the public inspectation or in one of the public inspectation or interest in the public inspectation or interest in the public inspectation or interest in the public interest in the public inspectation or interest in the public interest in
- A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or notiverial violation of law or regulation.
